We are pleased to announce the opening of the 2026 Call for Dissemination Conference grants applications, for funding the **participation in high-level conferences!**

Applications are accepted on a continuous basis, with one evaluation session every month.

Who can apply?

Action participants who would like to give an oral presentation of the work of CYANOACTION.

What support is provided?

- Dissemination Conference grants significantly increase visibility of the Action in the research community, and can contribute to increasing visibility of the presenter. Moreover, attracts additional participants and stakeholders and disseminates Action results to relevant end-users at high profile conferences in the field on a topic relevant to the Action.
- Dissemination Conference Grants contribute to travel, accommodation and subsistence expenses, registration fees, and overall effort.
- The application should include a requested amount, depending on the duration and location of the conference and conference fees, **up to a maximum of 2500€ for face-to-face conference** (according to approved Work & Budget plan for grant period 1) or **500€ for virtual conference**.
- Applicants to Conference Grants shall not apply to different types of conference grants within the current grant period.
